Mr. Ray Hazle

Dear Ray:

A transcript of your radio broadcast over WFO on Tuesday night, 8 December, has been brought to my attention.

I just want you to know that I very much appreciate the kind things you had to say about Foster. I am sending a copy of your transcript to Janet Dulles and am putting a copy in my own personal file. Once again, many thanks for your thoughtful letter.

Faithfully yours,

SIGNED

Allen S. Dulles
Director
